

Magnet spreads courtesy www.kinman.com

To ensure these covers fit your existing pickups please measure the distance between the two E string holes at each pickup position and select the corresponding magnet spread.

Fender traditional 56mm Vintage Strat bridge Narrow neck / Intermediate middle / Standard bridge.
Vintage Purists may choose standard for all 3.

Fender 53mm Twin Pivot bridge / Wilkinson Narrow neck / Intermediate middle / Standard bridge

Gibson bridge 52mm Narrow neck / Narrow middle / Narrow or Intermediate bridge

Floyd Rose bridge choose Narrow neck / Intermediate middle / Standard bridge

Other bridges we recommend you measure the distance between the two E strings at each pickup position and select the corresponding magnet spread.
